Description/Map: Approx. 1.20 miles of the Florida National Scenic Trail will be affected by a timber harvest currently in progress between Econfina Rd and the State Road 20 Trailhead. A reroute around area has been marked using metal t-posts with blazing at top. This route will be a temp. relocation. At earliest opportunity, the original trail will be re-established. Signage has been place at entrance to affected areas indicating the Florida Trail Closed Due To Hazardous Conditions. The temp reroute is 3.6 miles long. 1.6 miles along S.R. 20 and 2 miles along Econfina Rd.
