REGISTRATION FORM ADDENDUM

We were invited to revisit the Dorm rooms at Tanah Keeta Scout Reservation and found the rooms were recently refurbished. We believe the Dorm rooms will be a nice option for folks unable to tent camp. There are 2 twin-size cots with foam mattresses, the rooms were painted and flooring replaced in each room. The dorms have 2 rooms (2 beds in each room) that share a bathroom including a shower stall. Each room has a small porch. There are a total of 11 rooms (22 beds). You are responsible for your own bed linens, pillows and towels. These rooms will be available on a first come basis. If you are interested please contact me.

This addendum does NOT replace the registration form. If you are interested in one of these rooms, complete the registration form, replace the Overnight Accommodations section with the information below (and enclose with registration form):
