Perm. Change? No

Effective Date: 11/15/17

Ending Date: Late 2017 / early 2018

Description/Map:

Construction has begun of a new bridge over Alaqua Creek in Eglin Air Force Base. Hikers in the area are encouraged to be especially cautious while traveling near the construction site, particularly on the west side of the creek. Please pay close attention to posted signs and flagging regarding detours within this area, and be sure to follow directions from any on-site crew members. Everyone's safety is the highest priority for our crews!
