### Description:

The Fort Pickens and Santa Rosa areas in Gulf Islands National Seashore are closed following damage resulting from Hurricane Michael. Fort Pickens is scheduled reopen at 9:00am on Friday, October 19. Highway 399 through the Santa Rosa areas will remain closed for approximately three months while repairs are completed.

An alternative road walk is possible along US98 to avoid the Highway 399 construction; eastbound hikers can take the Highway 399 bridge from Pensacola Beach to Gulf Breeze, then follow US98 to Navarre and pick up the Florida Trail as it heads north towards the Eglin Reservation.
