

Gemini Springs Park

Spring-to-Spring Trail

Gemini Springs Park is located immediately northwest of Lake Monroe on the DeBary Bayou on 210-acres of wooded land, featuring two flowing springs and archaeological sites. 6.5 million gallons of fresh water flow from the park's two flowing springs each day.

Hike Mileage: Approximately 5 miles

Meeting Time: 8:30 AM

Meeting Location: Spring-To-Spring Trail, DeBary, FL 32713

Entrance fee: None

Hike Leader: Crystal Osborn (321) 262-1787

Bio: I'm an Ambassador and Videographer for Hike Like a Woman, a worldwide community of women encouraging one another to get outdoors. I am also a mom of two, and avid hiker with my husband and daughters. Our blog, Osborn Family Adventures, encourages other families to take the leap and get their families outdoors.
