Description/Map: The Florida Trail has been permanently rerouted in Oviedo in order to improve pedestrian safety, and pass by a new park/trailhead currently underway by Seminole County. Going northbound, the trail now continues on E Franklin Street for an additional .5 miles, then follows a paved trail for .1 miles before connecting with the existing Florida Trail. As of 12/22/18 blazes have been added along the new route and removed from the old route. See the map below.
