FTA Map: 13 Suwannee River

Perm Change: Yes

Effective Date: August 21, 2019

The FNST through Suwannee River State Park is now open as a through trail. The trail had previously been closed to through traffic and a road walk north of the park was required to connect to CR 141 and into Twin Rivers State Forest. The white blazed trail is now orange. See the map below for the new route.
