

COVID-19 GUIDELINES

FOR VOLUNTEERS

Protect Yourself and Others While Maintaining the Florida Trail

VOLUNTEERS: BEFORE YOU PARTICIPATE

Read CDC Guidelines and understand health risks

Review the FTA website and COVID-19 JHA

Stay home if you recently tested positive or are showing any COVID-19 symptoms

If you have them, bring your own mask, hand sanitizer and work gloves

Limit ride sharing with non-household members and limit stops

CREW LEADERS: BEFORE THE TRIP

Disinfect all group gear, tools and equipment

Bring extra hand sanitizer, face masks, gloves and cleaning supplies

Establish hand washing/sanitizing routines based on availability of running water

Ensure all participants have reviewed the COVID-19 JHA

Maintain participant rosters with relevant contact information

VOLUNTEERS AND CREW LEADERS: IN THE FIELD

Wash/sanitize hands frequently

Limit sharing of tools and equipment to the extent practicable

Abide by all protocols outlined in the COVID-19 JHA

Limit crew size to five members

Ensure appropriate PPE is available and utilized when unable to social distance

If you show any COVID-19 related symptoms after participating in a volunteer activity, inform the crew leader immediately.
