## **Description/Map:**

Big Cypress National Preserve is experiencing high water levels at this time. Hikers should be aware that conditions are challenging and can significantly increase the difficulty of the trail. For the most recent trail conditions, contact the Oasis Visitor's Center. Currently they are available from 9:00 to 4:30 and can be reached at 239-695-4111.

**In case of an emergency, call Preserve Dispatch at 1-844-NPS-0911 (1-844-677-0911).**
