

## NOTICE TO HIKERS

### 2021 – Gulf Islands National Seashore Notice– Map 1

Submitters Name: Adam Fryska

Contact: [adamf@floridatrail.org](mailto:adamf@floridatrail.org) / 850-888-3502

Effective Date: 1/1/21

End Date: Estimated 2/1/21

#### Description:

On September 16, 2020, storm surge from Hurricane Sally severely damaged Route 399 between Pensacola Beach and Navarre Beach. Road crews will be working to repair this highway during January of 2021. Access along the beach is still possible on this section between the Dunes Trail and the Navarre bike path, but hikers must avoid the highway and follow any signs or instructions from construction crews.

Repairs to Ft. Pickens have now been completed, and the Florida Trail northern terminus is once again open to hikers.
